REMARKS

Applicant notes with appreciation that claims 1-26 are allowed. In addition, the claim status on the Office Action Summary of the Quayle Action indicated that claims 27 and 28 were withdrawn from consideration. However, claims 27 and 28 were cancelled in the Amendment filed May 26, 2006.

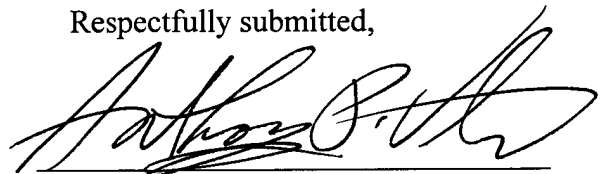

Two copies of the program code originally filed herewith have been submitted herewith in electronic form on respective compact discs. Each compact disc contains an exact copy of the program code originally filed with the application and is in full compliance with Rules 1.96 and 1.52(e). The program code is in MS-Word format and is 71KB in length with a single filename of "TeacherWeb Code submitted with Patent". The specification has been updated to incorporate the contents of the disc by reference. Applicant affirms that no new matter has been added.

In view of the above, it is respectfully submitted that the Applicant has complied with the formality requirement listed in the Quayle Action. Thus, a Notice of Allowance is respectfully requested.

Respectfully submitted,
